Professional Summary

AI / Machine Learning Engineer with 4+ years experience developing deep learning architectures, fine-tuning large language models (LLMs), and designing semantic matching pipelines.

Technical Skills

Python, PyTorch, TensorFlow, Scikit-Learn, NLP, LLMs, Docker, LangChain, RAG, Transformers, Git

Work Experience

Machine Learning Engineer at Cognitive AI Inc (2021-2024). Fine-tuned LLMs and built PyTorch inference APIs.

Education

M.S. in Artificial Intelligence, Stanford University. B.S. in Computer Science.
